N.B.:

- 1) Attempt **ANY FOUR** questions.
 - 2) All questions carry **EQUAL** marks.
-

- Q.1** “The scope of Intellectual Property is expanding very fast and attempts are being made by persons who create new creative ideas to seek protection under the umbrella of Intellectual Property rights’. Comment and discuss a nature and scope of Intellectual Property.
- Q.2** ‘The Berne convention is the first and most important multilateral treaty specific to copyright and its purpose is the protection of the rights of author in their literary and artistic work’. Comment.
- Q.3** Highlight the problems of patent search, examination & records and point out features of international and global patent information retrieval systems and European patent system.
- Q.4** Critically evaluate the UNCTAD report on trademark and consumer protection.
- Q.5** Piracy has become a global problem due to the rapid advances in technology, it has assumed alarming proportion all over the world and all the countries are trying to meet the challenges by taking stringent legislative and enforcement measures”. Comment and suggest suitable remedies to overcome such problem.
- Q.6** “Passing off is a form a tort, the law of passing off is based on common law which has remained substantially the same over more than a century though its formulation has changed over the time. The object of this law is to protect the goodwill and reputation of a business from encroachment by dishonest competitors”. Discuss.
- Q.7** “Intellectual properties are criticized for their monopolistic impact, but there is also a human rights dimension attached to them that speaks about their human side”. Do you agree? Comment in light of relationship between Intellectual properties and Human Rights.
- Q.8** Write short notes on:
- a) Patent Co-operation treaty (PCT)
 - b) WIPO Copyright Treaty 1996
