Accredited

with CSPA of 3.53 on seven point scale

at A⁺ grade

valid up to March 27, 2024

Date: March 28, 2017

A very few individuals have the distinction of becoming legend during their own lifetime by virtue of their extra ordinary abilities and exceptional achievements. Dr. Patangrao Kadam, Founder of Bharati Vidyapeeth, Founder – Chancellor of Bharati Vidyapeeth (Deemed to be University) and an undisputable leader of masses was one of them. He was the chief architect of beautiful edifice of Bharati Vidyapeeth which he established at the age of 19 in may 1964. Within a span of few decades, he developed it into one of the largest educational organizations in the country known for its high academic excellence within the country and beyond.

Dr. Kadam had envisioned metamorphosing Bharati Vidyapeeth into a full-fledged University at the time of its establishment. His dream came to be true in April 1996 when the Government of India conferred the status of "Deemed to be University" initially on a cluster of 12 Institutions. Bharati Vidyapeeth (Deemed to be University) with its 29 constituent units now has carved out a place for itself in the galaxy of leading universities in the country. Its high academic standing has been acknowledged by the NAAC by awarding it A+ grade successively in its three rounds. Several other assessing agencies also have placed its constituent units high in their rankings. The University owes its enviable success to the perceptive leadership of its Chancellor, Dr. Patangrao Kadam.

Dr. Kadam Contributed significantly to the economic prosperity of Maharashtra by implementing various developmental schemes , as a Maharashtra Cabinet Minister holding different portfolios. He made concentrated endeavors for the enrichment of culture, literature and sports in Maharashtra, with his generous patronage to the artists, writers and others. He created moments of relief and joy in the lives of thousands of poor, needy and deprived through his helping hand.

We, the teachers, support staff and millions of students, past and present of Bharati Vidyapeeth and Bharati Vidyapeeth (Deemed to be University) owe him immense debt for the encouragement which he gave and the opportunities which he created for us to realize our potentials and thus to brighten our life prospects. We would like to remain indebted to him forever.

From Desk of Hon'ble Chancellor

PROF. DR. SHIVAJIRAO KADAM

Chancellor, Bharati Vidyapeeth (Deemed to be University), Pune

Dear Students,

I am happy to know your keen interest in opting for courses being delivered through Distance Education mode by our University. Please feel assured that you would be a student of one of the leading Universities in India.

The parent body of Bharati Vidyapeeth (Deemed to be University), Bharati Vidyapeeth was established by Dr. Patangrao Kadam in 1964. It is one of the largest educational organizations in the Country, known extensively in India and abroad for the high academic excellence of its Constituent Institutions. Bharati Vidyapeeth runs in all more than 60 Colleges of various disciplines and 75 Schools which are located in its campuses in New Delhi, Navi Mumbai, Pune, Kolhapur, Solapur, Sangli and Karad and quite few other places.

In recognition of the high academic excellence of the Institutions of Bharati Vidyapeeth, the Government of India had conferred the status of "Deemed to be University" on 29 Institutions of Bharati Vidyapeeth in April 1996. This Bharati Vidyapeeth Deemed to be University has carved out a place for itself in the galaxy of leading Universities in India by its splendid academic achievements. The National Assessment and Accreditation Council has awarded this University A+ grade which is indeed a rare honour. This University is one of the very few Universities in India which the UGC has identified as Category I University for extending the privilege of autonomy. The University has achieved the 63rd rank in the NIRF ranking. The alumni of this University are occupying important positions in different walks of life as academicians, scientists, professionals, technologists and the like.

We at this University have accepted a mandate for ourselves of making higher education of various disciplines available to the students who are desirous of it but who cannot go for it as regular students because of various reasons. We have designed the functioning of our Centre for Distance and Online Education keeping in view all the possible needs of such external students. We have established counselling centers in our various Constituent Units where the students can get guidance from senior academics. The facilities such as library facility which are available to the regular students are also made available to the Distance mode students. The Centre has prepared high quality self-study material with the help of senior academics of various disciplines. I am sure you will have a very rewarding experience by opting for Distance Programmes of our University.

My best wishes to you.

From Desk of Hon'ble Vice Chancellor

PROF. M. M. SALUNKHE Vice Chancellor, Bharati Vidyapeeth (Deemed to be University), Pune

Dear Students,

It is a matter of immense pleasure for me to be a part of the Bharati Vidyapeeth (Deemed to be University) family as its Vice Chancellor. I take this opportunity to welcome students joining the Centre for Distance and Online Education in undergraduate as well as postgraduate programmes.

As per the All India survey on Higher Education conducted by the Ministry of Human Resource Development, 2013, the Gross Enrolment Ratio in Higher Education in India is 20.4, for 18-23 years of age group. The GER for malepopulation is 21.6 and for females it is 18.9. Distance enrolment constitutes 12.5% of the total enrolment in higher education. The purpose of Distance Education is to bridge this gap and increase the accessibility of education, beyond the boundaries of a number of factors such as distance from the centres of education, social taboos especially for the female students, and also the housewives, bindings to acquire education while in job, or other such logistics, which, at times, are a hurdle to access higher education in India.

The Centre for Distance and Online Education of the University is committed to offer the opportunities of higher education to such students through the distance education mode. The university is approved to undertake the distance education programmes offered by the Centre for Distance and Online Education. Our objectives are to reach the unreached and to make education accessible to all sections of the society.

Distance Education has been accepted as an effective way of learning and with the ICT enabled facilities such as virtual class rooms, etc.; it has taken the shape of a robust learning platform. We, at the Centre for Distance and Online Education, have a dedicated e-connect online communication channel to ease out the process of internal communication in order to facilitate students through e-learning. The e-learning environment of our School of Distance Education has developed effective communication channels between study centres and the respective students. Also, we have created provision for additional online supplementary study resources, such as videos, slide shares etc. for our students of Distance Education.

I extend a very warm welcome to all the prospective students of the Centre for Distance and Online Education. I, on behalf of the university, wish and assure you a pleasant learning experience, both, off campus as well as on the campus.

My best wishes for a successful career.

From Desk of Hon'ble Pro-Vice Chancellor

DR. VISHWAJEET KADAM Pro-Vice Chancellor, Bharati Vidyapeeth (Deemed to be University), Pune

One of the main objectives of establishment of Bharati Vidyapeeth that Dr. Patangrao Kadam cherished in his mind was to make higher education available to all who are desirous of it. So he established over 80 Colleges of various disciplines at different places in Maharashtra and even outside.

Although we have in our country, the world's third largest network of Institutions of higher education, still there are more than 80% of the young men belonging to the age group or 18-23 who do not have access to higher education, mainly because they cannot afford it on various counts.

With a view to make higher education available to such deprived students, we have started Centre for Distance and Online Education in our University. I am happy that gradually this Centre has excellent achievements in terms of increasing number of students as well as expanse of its academic programmes. The Centre is very keen on providing to the students of distance education mode all the facilities and services which are normally available to the regular students. We want our students to make full use of the services provided by the Centre. The Centre also has prepared very useful self-study material for these students with the help of experts. I am sure they would find this material useful.

I would like to suggest to the students to send us feedback on the services provided to them by the Centre so that we could improve them further if necessary.

My best wishes to the students for a bright future.

DR. VISHWAJEET KADAM

Director's Message

PROF. DR. RAJU GANESH SUNDER

Director, Centre for Distance and Online Education Bharati Vidyapeeth (Deemed to be University), Pune

Dear Students,

Please accept our sincere greetings and thank you for visiting our website. The key to choosing a Learning Program is to find the right environment, one in which you can thrive personally and develop into the Professional you aspire to be. Ours is a rigorous but collegial program. Our top priority is to educate students.

It is an honor for me to serve as the Director of Bharati Vidyapeeth Center for Distance and Online Education (CDOE). The CDOE- Distance and Online programs at Bharati Vidyapeeth (Deemed to be University) are housed in the prestigious Bharati Bhavan of Bharati Vidyapeeth (Deemed to be University) premises and include both academic and administrative people who are entirely and exclusively focused on Business, Social Science Law, and new generation education.

It is our goal to provide you with the best possible Knowledge and Skills training in an academic and supportive environment conducive to learning. We accomplish this through close mentorship, modeling professionalism and a commitment to our Learners, and by setting high academic standards.

We are a dedicated team that is focused on continuous improvement and innovation, while consistently providing excellent education that meets the needs of our learners. Whether you are an alum, industry professional or are interested in the program, we want you to connect with us!

1. INTRODUCTION

1.1 BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)

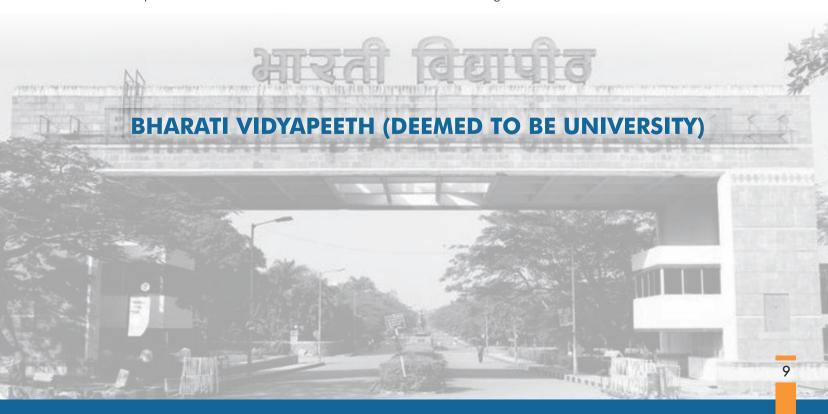

Maharashtra has a very long and well nurtured tradition of private initiative in higher education. There are several organizations in Maharashtra, established by social reformers, educationists and others, which have made commendable contributions to the cause of education. Inspired by their work, Dr. Patangrao Kadam established Bharati Vidyapeeth in 1964 at Pune. The mission, which Bharati Vidyapeeth has defined for itself is to bring about intellectual awakening of people through the spread of education and to prepare human resources needed for all-round development, particularly economy of the country.

During the last 56 years or so, Bharati Vidyapeeth has made astonishing strides in the field of education, particularly in higher and professional education. At present, has more than 180 educational units of various kind, right from pre-primary schools to postgraduate institutions. They include 80 Colleges and Institutes of different disciplines.

In recognition of the academic excellence which the institutions of the Bharati Vidyapeeth have and in view of the potential for further growth they have, the Government of India on the recommendation of the University Grants Commission granted (under section 3 of the UGC Act, 1956), the status of Deemed to be University to the Institutions of Bharati Vidyapeeth on 26th April, 1996.

This University is a multi disciplinary and multi campus, multi faculty University which is now one of the largest Universities of its kind in the country having as many as 29 constituent units including 3 research institutes. It has its campuses in Pune, New Delhi, Navi Mumbai, Kolhapur, Karad, Sangli and Solapur.

The academically conducive environment and excellent infrastructural facilities available in our campuses attract the students not only from various parts of India but also from abroad. At present, the University has enrollment of more than 500 overseas students coming from about 45 countries.

The University has put a premium on research. It has established three research institutes, namely:

- Interactive Research School for Health Affairs, Pune wherein research in subjects relating to health sciences with interdisciplinary approach is undertaken,
- Research and Development Centre in Pharmaceutical Sciences and Applied Chemistry which generates high quality research with excellent impact factors and with prospects for patents and
- Yashwantrao Chavan Institute of Social Science Studies and Research which is involved in research in the areas of social sciences and humanities.

The University conducts academic programmes in, as many as, 12 faculties, namely, Arts, Social Sciences and Commerce, Science, Law, Medical Sciences, Dentistry, Homoeopathy, Ayurveda, Nursing, Pharmaceutical Sciences, Management Studies, Engineering and Technology and Interdisciplinary Studies. Within a short span of 26 years, the University has launched as many as 324 academic programmes including Under Graduate, Post Graduate and Diploma Programmes, besides Ph.D. programmes in 79 subjects.

With the advantage of the academic autonomy it enjoys, the University has introduced quite a few innovative programmes in the emerging areas such as B. Tech in Bio-Medical Engineering, M. Pharm in Biotechnology, graduate programmes in 'Music and Dance', 'Acting and Script writing' and Master's programme in Optometry and courses in Cyber Law and Corporate Law etc. It has also introduced a Post Graduate programme in Geo-informatics and Bio-informatics.

It is a matter of pride that the National Assessment and Accreditation Council (NAAC) had awarded 'A Grade' to the University initially in the year 2004 and subsequently Reaccredited with 'A' Grade in 2011 and also Accredited with 'A+' Grade (2017) by NAAC. Moreover in the recent past, the University Grants Commission has given a recognition to this University u/s 12 (B) of its Act of 1956 on the recommendations made by a committee of Experts constituted by it. Some of the constituent units and some programmes have also received rich accolades from other evaluating agencies such as National Board of Accreditation (NBA). University has been continuously ranked among top 100 Universities in India by NIRF, MHRD Govt. of India. This year the university has got 63rd rank.

Over the years, the University has developed a very rich infrastructural facilities, such as independent spacious well structured buildings, well equipped laboratories and continuously updated libraries in all its constitutes units. The teaching faculty periodically undergoes training to enrich themselves with latest knowledge and skills in the respective disciplines.

The academic facilities and expert guidance by teachers that's provided to the students of Centre for Distance and Online Education are unique.

1.2 CENTRE FOR DISTANCE AND ONLINE EDUCATION

As mentioned earlier, Bharati Vidyapeeth (Deemed to be University) is an academic institution with social commitment. It has made high quality education available to a large number of students through its constituent units. The University is aware that almost 90% of the prospective students, belonging to the college going age-group i.e. 18-23 years, do not get opportunities for higher education because of numerous difficulties, such as, residential locations in rural and tribal areas, financial constraints, and other personal time limitations on account of employment or household chores etc.

Considering that it is its responsibility to provide educational opportunities to such deprived students – rural, tribal, poor and women population, the University has established the Centre for Distance and Online Education. Through this Centre, the University makes high quality education available to the students. The Centre for Distance and Online Education makes available all the necessary amenities to the students enrolled with it to accelerate their self learning.

Besides providing high quality education to its students, the Centre for Distance and Online Educationhas also certain other objectives such as -

- To promote the culture of self learning, continuing and lifelong learning in the society.
- To accelerate individual development and personal productivity through skill development.
- To relieve the students from the constraints of time and place while learning.

1.4 NETWORK OF LEARNER SUPPORT CENTRES

The efficiently organized and managed Learner Support Centres are an essential component of the Distance Education Mode. The Bharati Vidyapeeth (Deemed to be University) has established Ten Learner Support Centres in its own constituent units located in Pune, New Delhi, Navi Mumbai, Kolhapur, Karad, Sangli and Solapur which is a unique feature of our Centre. These centres function as an interface between the University and students and work as a collaborator in effective programme delivery.

The following facilities are provided at all the Learner Support Centres:

- > Subject specific and general academic counseling by the senior academics.
- Excellent Library facilities / Lab Facilities.
- > Conduct of assignments, tutorial sessions/seminars and University examinations.

The academic programmes are conducted in collaboration with faculties of Bharati Vidyapeeth (Deemed to be University) institutions where these Learner Support Centres are located. These Institutions have excellent buildings and infra structural facilities including state of the art learning resources. Through a decade of excellent educational inputs and academic ambience, these institutions have emerged as vibrant learning campuses in their areas. Through the academic counseling, seminars/tutorial sessions at local centres, continuous monitoring of the students learning is ensured. This works as an important motivating factor for a learner to learn. The Academic Co-ordination Unit for the Programme concerned is created for monitoring the programme and student progress most effectively.

1.5 PROGRAMMES OFFERED

Bharati Vidyapeeth (Deemed to be University) through centres located in its constituent units offers a number of short term, long term academic programmes leading to Degrees and Diplomas all the programmes, have been conceived and developed by the academic bodies of the University, through a properly laid down processes. Some of the programmes which are need-based are offered.

The programmes equip the learner with additional qualifications and provide them opportunities for self enrichment. The learner need not discontinue either vertical liberal education ladder or give up his/her job. Knowledge upgradation that a learner gets through these programmes helps in increasing his/her prospects for better employment.

SR. NO.	NAME OF PROGRAMME	ELIGIBILITY	DURATION
(A)	FACULTY OF ARTS, SOCIAL SCIENCES &	COMMERCE :

- The fees are to be paid through online mode.
- ➤ If a student submits his application for cancellation of admission within 15 calendar days from the date of his / her admission to that particular course, 10% of the total amount of tuition fees prescribed for the course will be deducted from the amount of tuition fees paid by him / her as administrative and other charges and the remaining amount will be refunded to him / her.
- If a student submits his application for cancellation of admission after 15 days but within 30 calendar days from the date of his / her admission to that particular course 25% of the total amount of tuition fees prescribed for the course will be deducted from the amount of tuition fees paid by him / her as administrative and other charges and the remaining amount will be refunded to him / her.
- The fees will not be refunded either in part or in full, if the student submits his / her application for cancellation of his / her admission after 30 calendar days from the date of his / her admission to that course.
- The students shall be required to bear their own expenses in connection with project work, field visits, dissertation, postage for sending study assignments etc.
- The examination fees should be paid separately, as per the schedules announced by the University.

1.9 PERSONAL CONTACT SESSIONS / SEMINARS

The Personal Contact Sessions and Seminars are conducted at the Learner Support Centres during the holidays (including Sundays or Saturdays and public holidays). It is an attempt to provide guidance to students in solving their academic difficulties.

1.10 UNIVERSITY EXAMINATION SYSTEM

The University have Semester Examination pattern in all UG & PG programmes & Annual Examination Pattern in Diploma Programmes. The examinations are held twice in a year i.e. Winter session and Summer session. The exact dates, schedule of examinations and fees are notified by the University well in advance. Due weightage is given to home assignments, Field Work and project work. The medium for curricular transactions and examination is English. The students are advised that they should be regularly visit the Website and also contact with the Bharati Vidyapeeth Deemed to be University Centre for Distance and Online Education for changes, if any, dates / schedule of examinations, fees etc. with a view to avoid any inconvenience.

Important Information Related to Examination

- 1. It is mandatory on the part of the students to appear for all examinations, home assignments, Lab pratical, projects and viva-voce as prescribed for the programme for which they have enrolled.
- 2. Students who have not submitted required eligibility documents, fees etc. at the time of admission, will not be allowed to appear for examinations or will not get marks statement(s) / result(s) till the time they comply with all the requirements.
- 3. Examinations fees are not included in the programme fees and have to be paid for each examination attempt along with the examination form, from time to time.

- 4. Information related to examination like schedule of examination form submission, examination time table, examination fees, revaluation / verification, results etc. will not be sent to the students by post. Student should visit the website regularly for the updates and/or student should be in contact with their Learner Support Centre regularly for the updates.
- 5. As per the guidelines of UGC, New Delhi 'Environmental Studies' paper is compulsory to all the students of Under Graduate programmes. LSC will conduct the exam of this subject from second year of Under Graduate programme and it is compulsory to clear / pass the paper. Student will not get final Marks Sheet of degree examination unless an until clear the 'Environmental Studies' paper.
- 6. In view of COVID-19 Pendemic situation and Lockdown, University can conducts examinations through online Mode

The details, such as rules of passing, award of class etc. have been incorporated in the concerned Programme Book.

Note:

Centre for Distance and Online Education will not be responsible for overlaps in examination Time – Table if a student opts for a degree and a diploma programme OR opts two diploma programmes simultaneously.

1.11 OTHER IMPORTANT INFORMATION

After the detailed study of the Application Booklet, a student is expected to choose the course of his/her choice, the specialization and Learner Support Centre where contact programme and University examination will be conducted.

Generally, a change in the above is not permitted. However, in exceptional circumstances, a candidate may be permitted to change his/her academic Learner Support Centre, examination centre, specialization or address for correspondence.

For such changes the candidate

- (i) Must submit an application in writing and forward it through the Programme Director of the Learner Support Centre, and
- The students are advised that they should be regularly in contact with the Bharati Vidyapeeth (Deemed to be University) Centre for Distance and Online Education for changes, if any, in the syllabus with a view to avoid any inconvenience.

2.1 BACHELOR OF ARTS (B.A.)

Eligibility : 10 + 2 or its equivalent from any recognized Board.

Duration: Three years.

Fees: Year	Admission Fees (Rs)	Tuition Fees (Rs)	Total Fees (Rs)
1 st	1000/-	5000/-	6000/-
2nd	-	5000/-	5000/-
3rd	-	5000/-	5000/-
		Total Fees	16000/-

Structure A student joining the First year B.A. course shall offer six subjects mentioned below. He/she in advised to select the subjects of First semester very carefully because he/she to select subjects for the following semesters from the subjects offered at First Semester.

1) Subject in Core course is compulsory. 2) A student has to offer five subjects from Elective Courses given bellow.

F.Y.B.A.: Semester I			
Course Type	Code	Course Title	
Core Course	A101	1. Compulsory English—I	
Elective Course	s (Any Fiv	e from the following)	
	A111	1. English (G1) – I	
	A121	2. Economics (G1) – I	
	A131	3. Marathi (G1) – I	
	A141	4. Geography (G1) – I	
	A151	5. Political Science (G1) — I	
	A161	6. Sociology (G1)—I	

F.Y.B.A.: Semester II			
Course Type	Code	Course Title	
Core Course	A201	1. Compulsory English — II
