INTRODUCTION

A great visionary; Hon'ble. Dr. Patangrao Kadam laid down the cornerstone of Bharati Vidyapeeth in 1964. Bharati Vidyapeeth was conferred the status of Deemed to be University in 1996 in view of its academic excellence.

All the programmes offered by BV(DU) are recognized by UGC, AICTE or the respective statutory councils and are known to be innovative and evolving in nature. BV(DU) presently has 29 constituent units, including three research institutes. BV(DU) has world-class infrastructure and facilities, and adopts latest and finest teaching pedagogies. BV(DU) has entered into many national, as well as, international collaborations.

DISTANCE EDUCATION CENTRE FOR DISTANCE AND ONLINE EDUCATION

Bharati Vidyapeeth (Deemed to be University) is an academic institution with social commitment. It has made high quality education available to a large number of students through its constituent units.

The University is aware that almost 90% of the prospective students, belonging to the college going age-group i.e. 18-23 years, do not get opportunities for higher education because of numerous difficulties, such as, residential locations in rural and tribal areas, financial constraints, and other personal time limitations on account of employment or household chores etc. Considering that it is its responsibility to provide educational opportunities to such deprived students – rural, tribal, poor and women population, the University has established the School of Distance Education.

Through this Centre, the University makes high quality education available to the students. The School of Distance Education makes available all the necessary amenities to the students enrolled with it to accelerate their self learning.

Besides providing high quality education to its students, the School of Distance Education has also certain other objectives such as -

- To promote the culture of self learning, continuing and lifelong learning in the society.
- To accelerate individual development and personal productivity through skill development.
- To relieve the students from the constraints of time and place while learning.
- Career stability and progression or a transition into a new Profession or Field.

NETWORK OF LEARNER SUPPORT CENTRES

The efficiently organized and managed **Learner Support Centres (LSC)** are an essential component of the Distance Education Mode. The Bharati Vidyapeeth (Deemed to be University) has established Ten Learner Support Centres in its own constituent units located in Pune, New Delhi, Navi Mumbai, Kolhapur, Karad, Sangli and Solapur which is a unique feature of our Centre. These centres function as an interface between the University and students and work as a collaborator in effective programme delivery.

The following facilities are provided at all the Learner Support Centres:

- Subject specific and general academic counseling by the senior academics.
- Excellent Library facilities / Lab Facilities.
- Conduct of assignments, tutorial sessions/seminars and University examinations.

The academic programmes are conducted in collaboration with faculties of Bharati Vidyapeeth (Deemed to be University) institutions where these Learner Support Centres are located. These Institutions have excellent buildings and infrastructural facilities including state of the art learning resources. Through a decade of excellent educational inputs and academic ambience, these institutions have emerged as vibrant learning campuses in their areas. Through the academic counseling, seminars/tutorial sessions at local centres, continuous monitoring of the students learning is ensured. This works as an important motivating factor for a learner to learn. The Academic Co-ordination Unit for the Programme concerned is created for monitoring the programme and student progress most effectively.

PROGRAMMES OFFERED

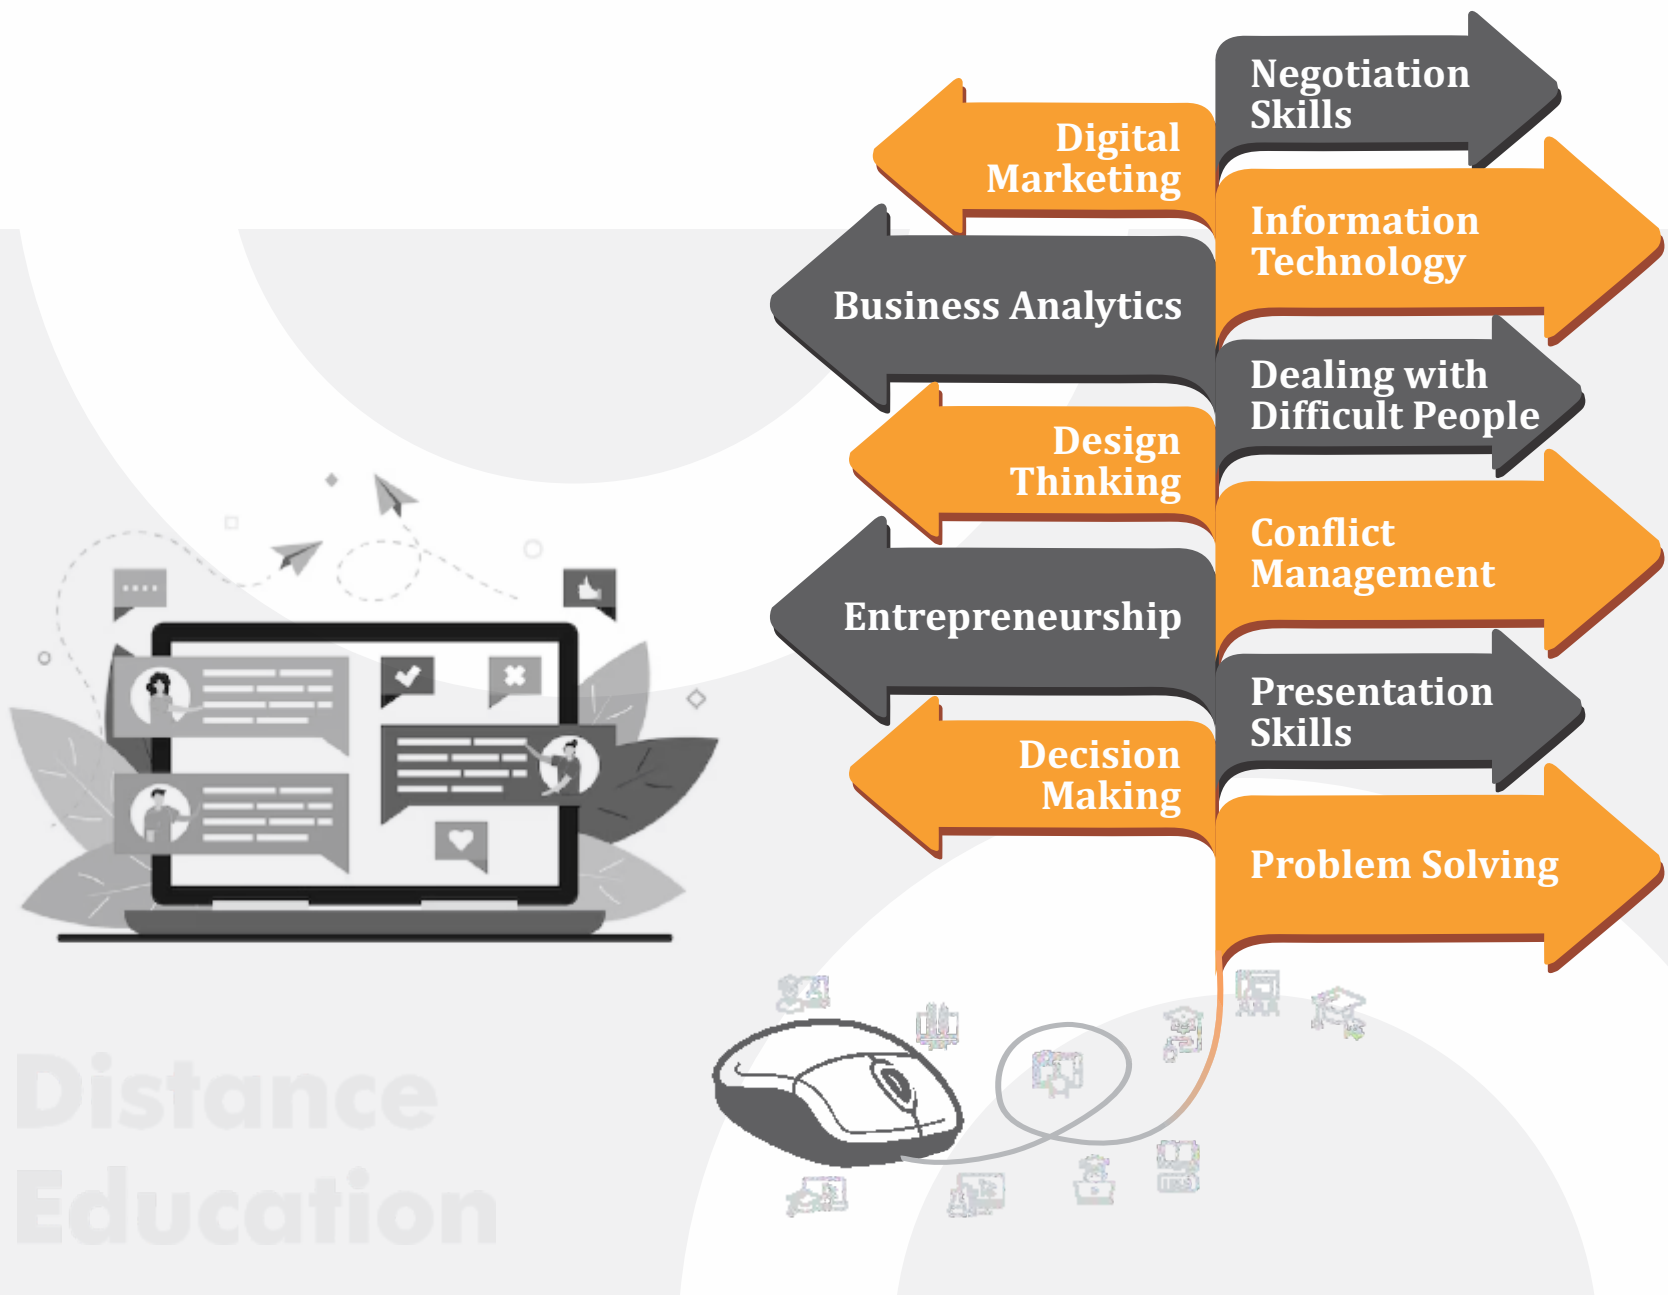

Bharati Vidyapeeth (Deemed to be University) through centres located in its constituent units offers a number of short term, long term academic programmes leading to Degrees and Diplomas all the programmes, have been conceived and developed by the academic bodies of the University, through a properly laid down processes. Some of the programmes which are need-based are offered.

The programmes equip the learner with additional qualifications and provide them opportunities for self enrichment. The learner need not discontinue either vertical liberal education ladder or give up his/her job. Knowledge upgradation that a learner gets through these programmes helps in increasing his/her prospects for better employment.

VALUE ADDED WORKSHOPS & ONLINE SEMINARS

Swami Vivekananda, once said “A nation is advanced in proportion of education and intelligence spread among the masses.

BV(DU) truly believes in this adage and therefore plans to introduce workshops over select weekends for its students through which they can participate and get involved in the process. Students could also get an opportunity to network with their peers and interact with senior corporate head honchos at such workshops.

LMS PORTAL
